Fifteenth Annual

Golf Outing and Scholarship Awards Dinner

2026 Scholarship Winners

The Edward Taylor Coombs Foundation is pleased to bestow the following students a scholarship or book award in honor of Edward Taylor Coombs.

The ETC foundation was established not only to continue the legacy of Edward Taylor Coombs but also to support visionary leaders of tomorrow who display exceptional promise today. A second goal of the Foundation is to work with high school students around the issue of "responsible decision making". Whether we are discussing safe and healthy peer relationships, appropriate usage of "social media", as well as the consequences of drinking and driving. The ETC Foundation will remain in the front line of teenage and young adult education and empowerment.

We would like to thank all the students that made the courageous efforts to complete and submit the Edward Taylor Coombs Scholarship application.
